SOFTWARE DEVELOPMENT

Innovative **Software Engineer & Team Lead** with expertise in cutting-edge technologies, specializing in **full-stack** development, IoT solutions, and cloud services. Committed to delivering high-quality, scalable software solutions. Seeking project-based opportunities within a dynamic organization or startup where I can leverage my strong technical foundation, leadership skills, and collaborative mindset to drive efficiency, deliver successful outcomes, and contribute to the success of each project.

KEY COMPETENCIES

Expertise in both **front-end** and **back-end** technologies, ensuring seamless integration and functionality of applications.

Strong ability to identify, diagnose, and resolve issues efficiently, ensuring high-quality and reliable software.

Staying up-to-date with the latest technologies and industry trends, and quickly adapting to new tools and methodologies.

PROFESSIONAL EXPERIENCE

VersionLabs

Apr 2022 - Present

Software Engineering Team Lead

Led multiple projects from inception to deployment, ensuring high standards of quality and scalability. Conducted **R&D** to explore new technologies and optimize solutions. Mentored and trained junior developers, enhancing their technical skills. Leveraged a broad expertise in technologies like **Next.js**, **React**, **Node.js**, **Firebase**, and **MongoDB** to deliver robust, efficient solutions.

SoluteLabs

Jan 2020 - Mar 2022

Software Engineer

Successfully developed over 10 applications from the ground up, utilizing technologies such as **NestJS**, **Node.js**, **Express.js**, **GraphQL**, **Hasura**, **Redis**, **PostgreSQL**, **MongoDB**, **ElasticSearch**, and **Microservices** architecture, while also training junior developers.

SoluteLabs

July 2019 - Jan 2020

Intern

Explored and implemented various technologies, including **Node.js**, **Express.js**, and **Prisma**. Developed a proof of concept (**POC**) using **Node.js** and **EJS** with server-side rendering, which laid the foundation for the project's development.

EDUCATION

Master of Science CA & IT

KS School of Business Management
Gujarat University
2018-2020

Bachelor of Science CA & IT

KS School of Business Management
Gujarat University
2015-2018
